ADULT BIBLE STUDY

Let Hope In by Pete Wilson

“So many of us are bound, held prisoner by decisions and events from the past. Imagine complete freedom—a freedom only secured by the hope extended to us in Jesus. Sure, we've all made mistakes. Plenty, in fact. It's part of life. And even today, none of us is immune from feelings of hopelessness. But the Bible tells us, and this study reminds us, that we can rejoice when we run into problems because they help us endure and give us strength, character, and hope. We can move beyond regrets and shame. Discover what Psalms, the Gospel of John, and Acts say about finding hope and how it can transform you every day.”

Bible Study is a 6-session study includes DVD, and Bible Study Book.

Are you Interested? If so, please let Pastor Matt or the Church Office know you as soon as possible that you are interested in this bible study.

Also, to help determine the best day and time the majority of you are available, please complete the Bible Study Survey. You may leave it either in the offering plate, Pastor's mailbox or slip it under his door.
